Name of Creator

Brian Lapping Associates, television production company

Extent

78 Boxes (30 Archive Boxes; 48 Banker's Boxes)

Administrative/Biographical History

Brian Lapping Associates was formed by Brian Lapping and Norma Percy in 1988, and is a London based television production company specialising in documentaries. Watergate was a joint production with the BBC and the Discovery Channel, produced by Norma Percy and broadcast in the UK and the USA in June and August 1994.

Custodial History

Deposited by Brian Lapping Associates in 1996.

Scope and Content

Material relating to the documentary film series Watergate, 1960s-1990s, concerning the Watergate scandal and the fall of President Richard Nixon, made by Brian Lapping Associates Ltd and broadcast in 1994, including U-matic cassettes of video taped interviews with members of Richard Nixon's administration and those that prosecuted Watergate, notably H.R. Haldeman, John Ehrlichman, Charles Colson and John Dean; typed transcripts of the above interviews, including both original research interviews and transcripts from the final production interviews; U-matic tapes of the newsreel used in the programme; transcripts of the White House tapes containing President Nixon's conversations with his aides taped by his hidden system, 1971-1973; copies of Haldeman's handwritten notes of conversations with the President and others, especially relating to Watergate, 1970-1973; transcripts of evidence given to the Senate Watergate Committee in private session, copies of newspaper articles, books and unpublished memoirs, as well as VHS and audio tapes containing Nixon's press conferences of 1972, John Dean's testimony and previous documentaries made on the Watergate scandal.

System of arrangement

The collection is divided into the following sections:

MS976/1: Transcripts of Research Interviews

MS976/2: Transcripts of Interviews

MS976/3: The White House Tapes Transcripts

MS976/4: Research Materials

MS976/5: H.R.Haldeman's Notes

MS976/6: Legislative Archive

MS976/7: White House Special Prosecutor's Files

MS976/8: *The Presidential Conduct of Foreign Policy, 1969-1973*

MS976/9: Audio and Visual Material

MS976/10: U-Matic Interview Tapes

MS976/11 U-Matic Footage Tapes

MS976/12 U-Matic Footage Tapes Content Lists

MS976/13 Programme Footage Scripts

Access conditions

RESTRICTED

Access to this collection is unrestricted for the purpose of private study and personal research within the supervised environment and restrictions of the Library's Palaeography Room. However, certain sections of the collection are restricted and are unavailable for consultation. These include MS976/1, MS976/4/1, MS976/4/14, MS976/10 and MS976/11. For further details on viewing these materials, please contact the Archivist.

Copying conditions

Copies may be made, subject to the condition of the original. Copying must be undertaken by the Palaeography Room staff, which will need a minimum of 24 hours to process requests. However, copies of documents from the US National Archives and Records Administration (comprising the majority of research documents) or any other material available elsewhere cannot be copied by Senate House Library.
